Monsieur Dirk DE BLOCK
Conseiller communal
Rue Houzeau de Lehaie 20 bte A
1080 Molenbeek-Saint-Jean

Molenbeek-Saint-Jean, le 12/12/2019

Objet: votre question écrite du 10 octobre 2019 relative à la salle de sport quai de Charbonnage.

Monsieur le Conseiller communal,

Vous trouvez ci-dessous les éléments de réponses à votre question écrite du 10 octobre 2019, relative à la salle de sport quai de Charbonnage.

La grande salle omnisport du projet Charbonnage aura les dimensions requises pour tenir des compétitions de basketball, badminton et volleyball. Le terrain ne présente malheureusement pas les dimensions nécessaires pour être homologué pour le mini foot, le site étant trop petit. Cependant, le marquage au sol est prévu ainsi que des goals pour l'entraînement mini foot, mais pas pour les matchs officiels de foot en salle.

Ci-joint, vous trouverez les plans de la salle omnisport, avec les tracés au sol pour les différents sports (voir plan du niveau -1).

Concernant les autres salles, la seule qui soit aux normes, ou en tous cas homologuée par la LFFS, pour de la compétition senior, est celle du Sippelberg. Le Hall des Sports avaient lui été homologué il y a quelques années pour de la compétition jusqu'à U14. Pour résumer :

- Salle Namèche : pas homologuée (et ne pourrait pas l'être en l'état)
- Salle du Sippelberg : homologuée (sauf pour 1^e et 2^e nationale)
- Salle Beudin : pas homologuée (mais pourrait éventuellement l'être pour des jeunes)
- Salle Muhammad Ali : homologuée jusque U14

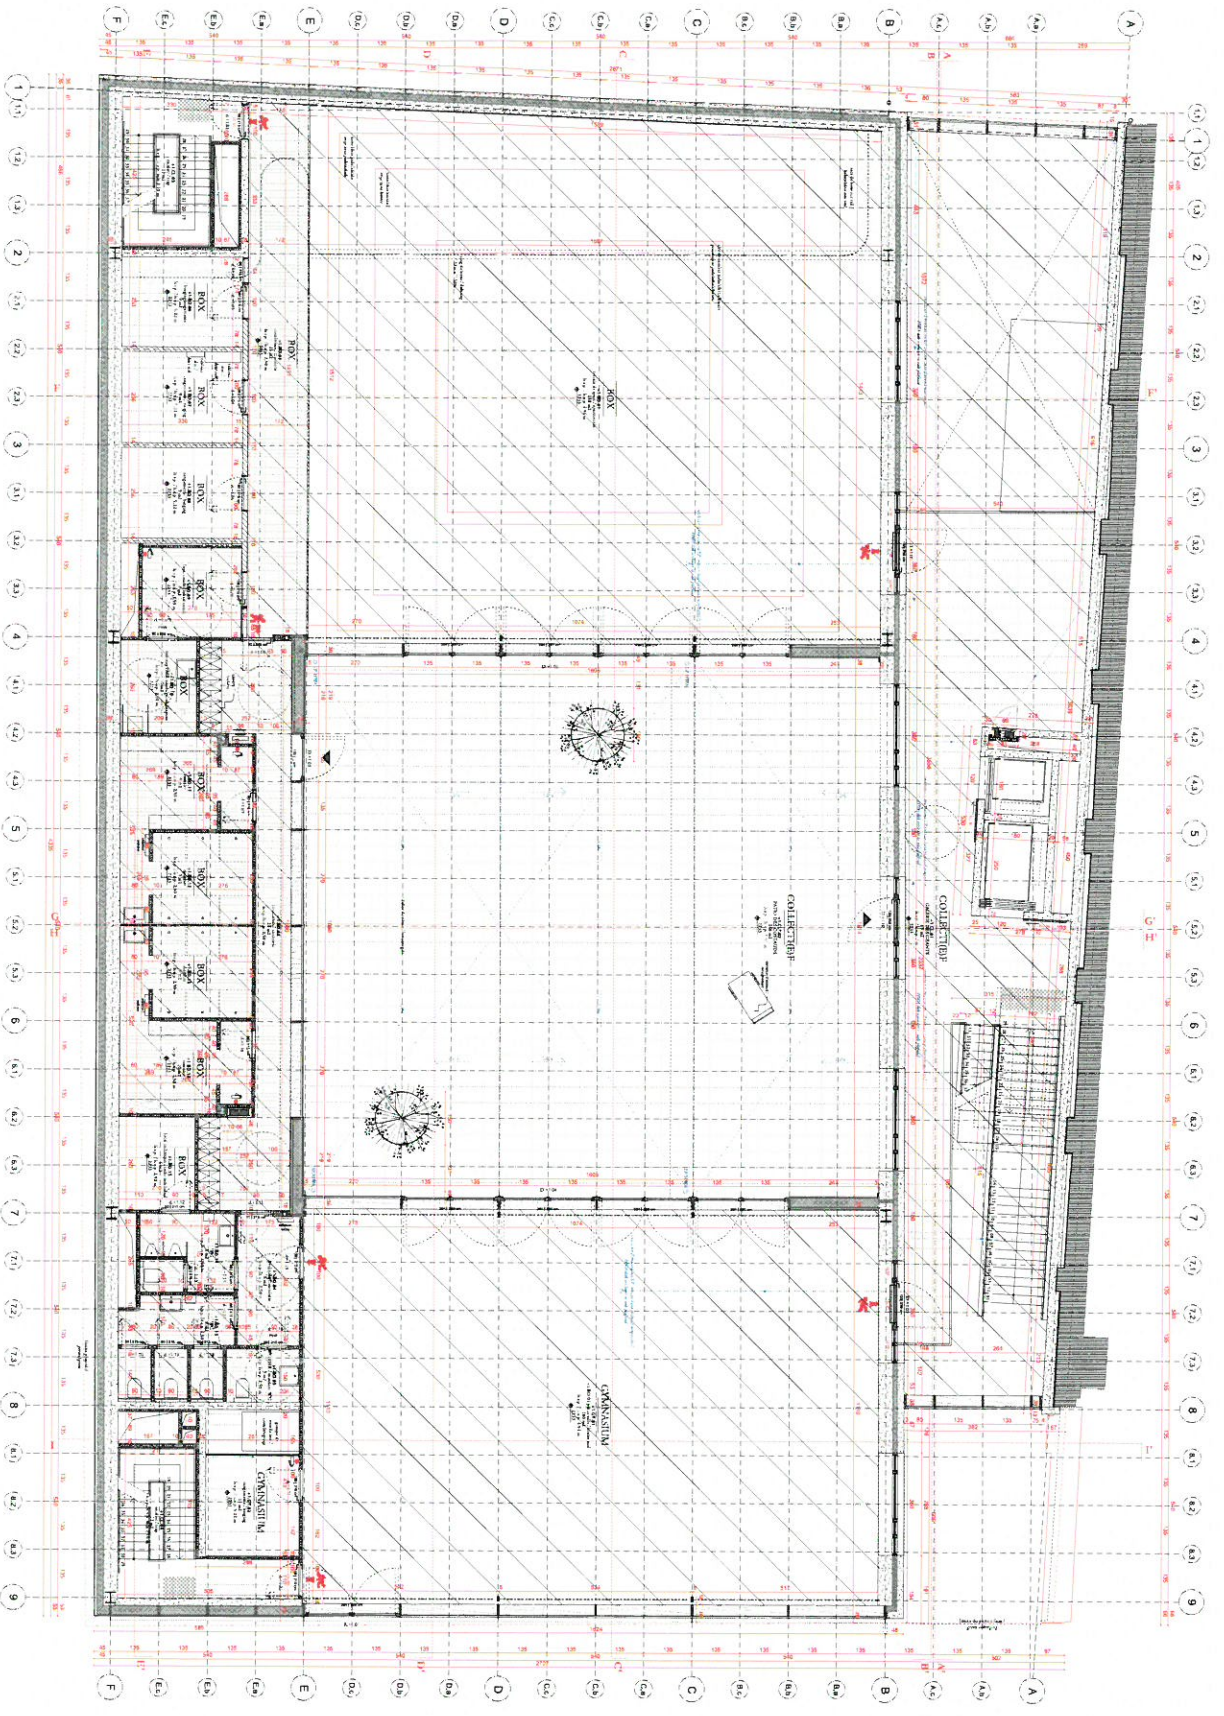

Veillez agréer, Monsieur le Conseiller communal, l'assurance de notre considération distinguée.

Par ordonnance,
La Secrétaire communal,

Jacques DE WINNE.

La Bourgmestre,

Catherine MOUREAUX.

Onderwerp: Question écrite concernant la salle de sport quai charbonnage

Pourriez-vous nous communiquer les plans du complexe sportif en construction au Quai de charbonnage?

Si une salle de mini foot est prévue, est-ce que le terrain de mini foot a les dimensions réglementaires pour pouvoir accueillir les matches à caractère officiel (championnats, coupes)?

Combien de salles de mini-foot existent sur le territoire de Molenbeek? Combien sont réglementaires?
